Issue: ask the Mississippi export directory

Message: Dear Governor Ronnie Musgrove,

From Sep.20 to Sep.25, 2000, The First International Agricultural Exposition (Shenyang) China will be held by The Ministry of Agriculture P.R.C., CCPIT, Liaoning Provincial Government of China and Shenyang Municipal Government in Shenyang City. I hope this is China's first agricultural exposition after China become the member of WTO. In this exposition we will set a special booth for foreign countries' companies. It is free. The foreign companies could use this booth for sending their companies' information to Chinese users. Or the foreign companies could mail their companies' product catalogs to me and I will help them to send the catalogs to Chinese users. For a part of China's government, it is our duty. But I have no idea about Mississippi's export companies. I am wondering if you could help me get a copy of Mississippi Agricultural Export Directory or Mississippi Export Directory. I hope I could contact with Mississippi's export companies and promote the trade between Mississippi and China.

Sincerely

Zhang, Guang
